Specialist in Education (Ed.S)

The Specialist in Education (Ed.S) in music education requires a minimum of 30 hours of study at the graduate level beyond the master's degree and fifth-year certification in music education. The following minimum requirements in each of five areas must be satisfied in consultation with the student's major professor/advisor. Appropriate courses taken for the master's degree may be applied toward these requirements.

Area A	Teaching Field Specialization	39 hours
Area B	Educational Psychology, Foundations	9 hours
Area C	Curriculum, Supervision, Administration	9 hours
Area D	Research, Assessment and Evaluation	6 hours
Area E	Field Research (optional)
