

Ed.S. in Music Education

The Specialist in Education (Ed.S) in music education requires a minimum of 30 hours of study at the graduate level beyond the master's degree and fifth-year certification in music education. The following minimum requirements in each of five areas must be satisfied in consultation with the student's major professor/advisor. Appropriate courses taken for the master's degree may be applied toward these requirements.

| | |
|---|----------|
| Area A: Teaching Field Specialization | 39 hours |
| Area B: Educational Psychology, Foundations | 9 hours |
| Area C: Curriculum, Supervision, Administration | 9 hours |
| Area D: Research, Assessment, Evaluation | 6 hours |
| Area E: Field Research (optional) | |
