Note: Initial admission to the theory major requires an interview at the end of the freshman year. Final acceptance to the program occurs at the end of the sophomore year. At that time, you may request a change of major in Athena, to be approved by your Academic Advisor.

PLEASE NOTE:

- Students are required to take 1 hour of PEDB that is not included in the total credit hours.
- All UGA students must fulfill core requirements (<http://bulletin.uga.edu/GenEdCore.html>), university-wide degree requirements (http://www.bulletin.uga.edu/bulletin_files/uga_req.html), all Franklin College requirements (<https://www.franklin.uga.edu/oaa/franklin-college-degree-requirements>) and AB Music requirements (<http://bulletin.uga.edu/MajorSpecific.aspx?MajorId=117>).
- A total of 39 upper division hours (3000 and above, academic and/or music) is required for graduation, 21 of which must be in the major field.
- This Program of Study is only a reference. You and your advisor should use it in conjunction with the online UGA bulletin for the most current listings of courses, descriptions, necessary prerequisites and recommended courses for each category to compose a plan of study that is appropriate for you.
- All music students are required to pass a piano proficiency exam, including keyboard majors.
 - Non-Keyboard concentration: Successful completion of MUSI 2530 (fourth semester of class piano) or the piano proficiency examination. Four semesters of Piano Class (MUSI 2500, 2510, 2520, 2530) fulfills *both* the piano proficiency and the secondary applied requirements.
 - Keyboard concentrations should enroll in MUSI 3470 (Keyboard Musicianship) or officially challenge the course.
- For a complete list of large and small ensembles at the University of Georgia, visit the Ensembles page on the School of Music website (<http://music.uga.edu/ensembles>). Many of these groups require an additional audition.
